Thanks! Late Feb would be better obviously, but if that is impossible very early March should be ok!

[REDACTED]

Would it be safe to get an early March date? I can certainly ask for a late February date, but I know what the court will want to do.

This case is going to have to be continued for jury trial tomorrow. Do any of you have non-court related conflict dates over the next three months that you are now aware of?

Thanks,
Corey
